The course is self-paced. This means that you can go through the course contents at your own pace and time as soon as the course begins. You can access the course any time of the day or night. This way you can manage your time in going through the course activities. It's up to you.

You don't need to rush to complete the course. Should you finish the course earlier, the processing of the certificates will be about a month after the course has ended. Specific announcements will be made while the course is ongoing.

Do not forget to follow our Facebook Page. We give instructions and announcements on this page: https://www.facebook.com/teachoninnotechmooc/

For any concerns, please feel free to contact the TEACH ON Project Team:

- by email mooc@seameo-innotech.org
- Call us at 9247681 to 84 local 195 and look for Joan
- Facebook Page: <u>https://www.facebook.com/teachoninnotechmooc</u>

When asking for support, please provide the specifics (if possible, a screen shot as applicable). Please note that we may receive hundreds of messages and providing clear and complete information will allow us to better respond to learners
