| <p>1 LOT Subscription to Multidisciplinary, Research Database</p> <p>The Collection provides access to not only scholarly journals, but also to high value market research, country, economic, and industry reports, essential pre-print working papers, and full-text dissertations, as well as a vast number of professional journals, and general interest periodicals. It also includes full-text news sources from all over the world, which provide context to the extraordinary scholarly content.</p> <p>Content discovery is an integral part of the platform's goal of driving better outcomes for our customers and their users. To this end, the content is discoverable through Primo, Summon, OCLC WorldCat, and Google Scholar. In addition, researchers at libraries with databases, subscriptions such as Academic Complete, and Academic Video Online can now search and use this content in a comprehensive search that connects text and video. Over 250,000 full-text dissertations each with extensive references and literature reviews.</p> <p>Latest full text of key journals including the Lancel, Nature, MIT Sloan Management Review, Foreign Affairs, and Journal of International Business Studies. Find the World's most important scholarly publishers including Cambridge University Press, Springer, and Emerald.</p> <p>Unlimited, simultaneous, multi-user access Access through IP & Remote Access Free Training and Marketing Materials Access to 30+ Databases</p> | <p>1 LOT Subscription to Multidisciplinary, Research Database</p> <p>The Collection provides access to not only scholarly journals, but also to high value market research, country, economic, and industry reports, essential pre-print working papers, and full-text dissertations, as well as a vast number of professional journals, and general interest periodicals.
