

QUALITY POLICY

Cebu Normal University commits to deliver excellence in instruction, research and extension services for global competitiveness, to meet increasing levels of customer demand and delight, statutory, regulatory, and international standards through continuous quality improvement, transparency, and good governance.

Towards this end, university goals and aspirations are aligned to the institution's strategic directions, university charter, government strategies for global preservation and poverty alleviation. Quality management principles of customer focus, effective and efficient leadership in all levels, people engagement, process approach evidence-based decision making and relationship management are observed.

To ensure compliance with the commitment, relevant and responsive virtual and/or physical monitoring, review, and upgrading of service delivery are implemented.
