Russel Christine Corcino
Faculty, Biology Department, COAS

The Office of Education for Sustainable Development (ESD) and the National Greening Program (NGP) proudly hosted the seminar “*Waves of Change: Raising Awareness and Fostering Consciousness to Protect Our Archipelagic Legacy for Future Generations*” at the Tandang Sora Hall, in celebration of the 61st Fish Conservation Week. Led by ESD and NGP Director Dr. Joshua Garces, alongside faculty members Rex Samuel Abao and Russel Christine Corcino, the event aimed to ignite collective responsibility and inspire sustainable fisheries in line with the theme “*Sama-sama Tungo sa Maunlad at Likas-Kayang Pangangisda sa Bagong Pilipinas.*” Para sa susunod na henerasyon!
